

## You're Invited to the 3rd Annual Abbey's Hope Golf Tourney and Party

A lot has happened to be proud of since last year's Golf Tournament. Through the tournament, we raised over \$100,000 which allowed us to present and fund a water safety program for underserved youth in Minnesota through a partnership with the YMCA. By the end of this year, 2,500 kids will attend this important program. We also continue our community outreach with our partner Foss Swim School, bringing water safety lessons into local classrooms and asking parents to take the Water Watcher pledge. And on a national level, Abbey's Hope has partnered with the CPSC on it's ground breaking POOL Safety campaign, and with their help will host a safety event in Minnesota in September.

This year, the net proceeds of the Golf Tournament will enable Abbey's Hope Charitable Foundation to broaden our reach as we continue to fulfill our mission of Keeping Kids Safe. Our goal is to have the funding to expand our annual "Spring Into Summer Safety" event to at least three other local communities, bringing lifesaving knowledge to more families at no cost.

We know you can't protect children from everything, but we believe that much more can be done to prevent childhood injuries and illnesses through awareness, education, and accountability. Thank you to all the generous sponsors and golfers for giving your time, money, and support to this event—it could not happen without you.

A special thank you to our Board of Directors, our Golf Committee and committed volunteers, Rocket Club, Cities97, Lee Valsuik, and Braemar Golf Course Staff.
